

California Bicycle Summit

April 18, 2024

City of San Diego

Transportation Department

Bethany Bezak, Director

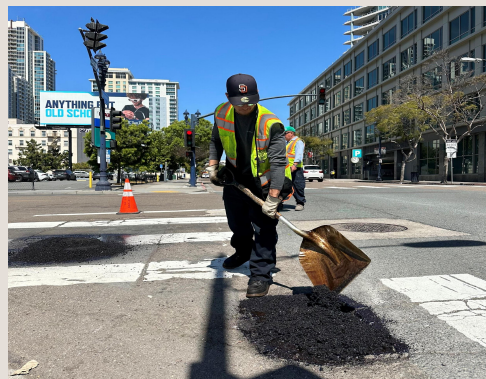

Welcome to San Diego!

San Diego at Work for You!

VISION:

Sustain and maintain quality of life and safe access to all destinations in the City of San Diego.

MISSION:

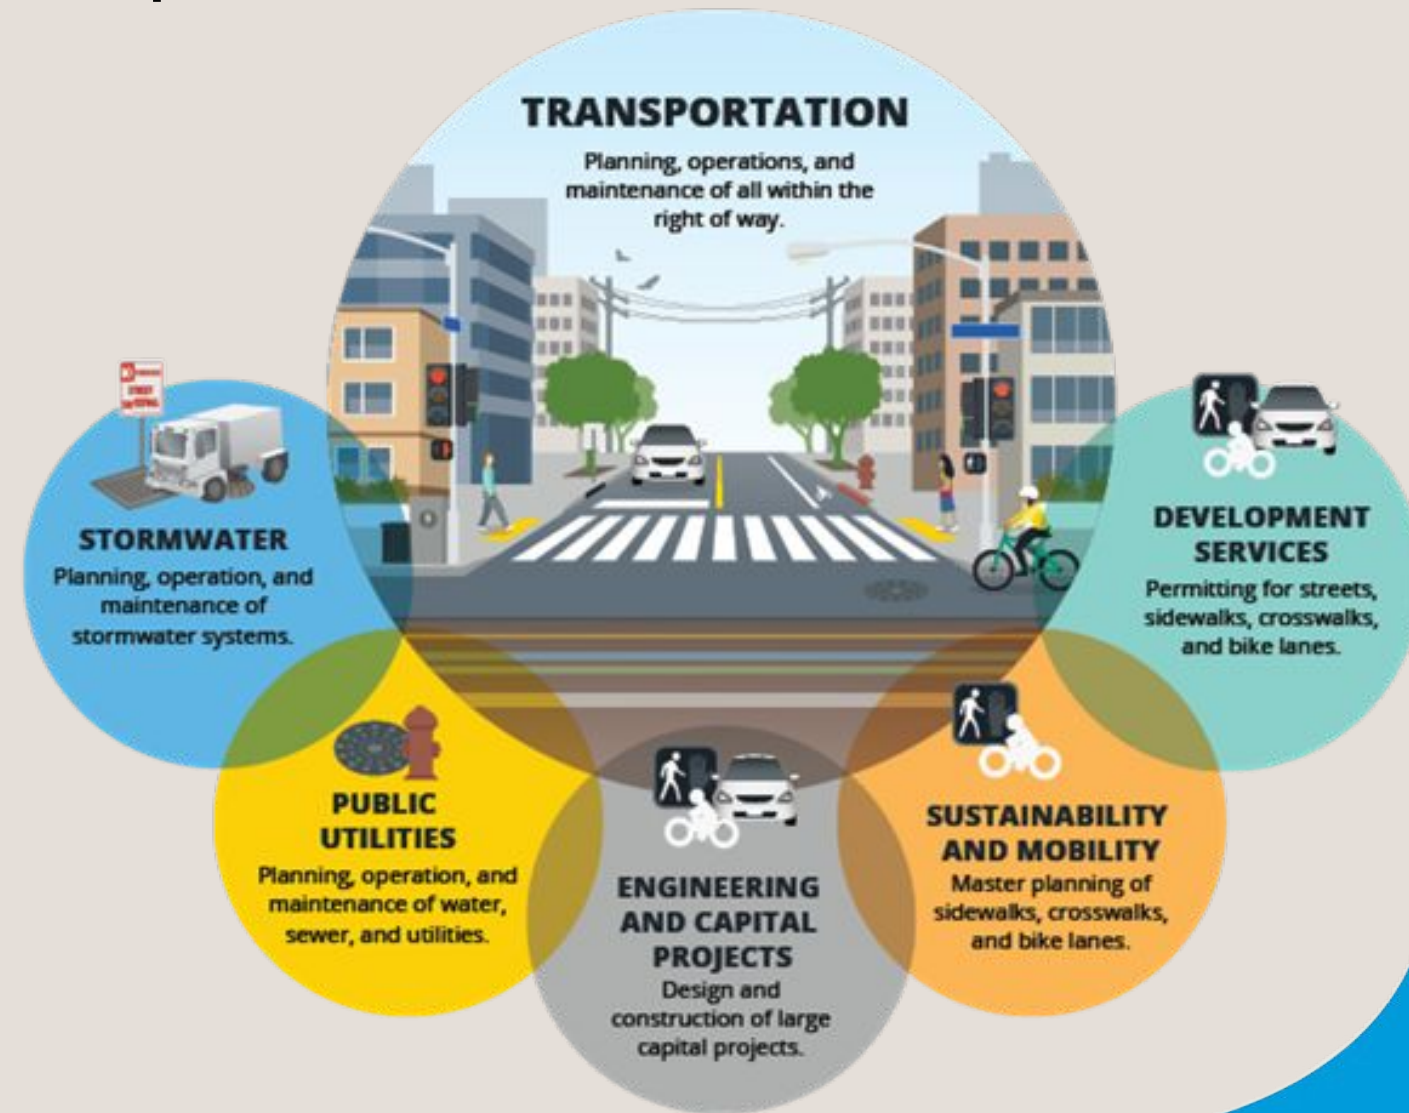

Build, operate, and maintain a world-class network of transportation infrastructure to ensure that all San Diegans can safely and effectively get where they need to go.

Transportation Department

Who We Are:

500+ City employees responsible for:

- 3,000 miles of streets and alleyways (147 FTE)
- 4,500 miles of sidewalks (57 FTE)
- 1,100 miles of streets planned for utility undergrounding (22 FTE)
- 10,000 service requests each month (16 FTE)
- 60,000 street and park lights (30 FTE)
- 1,650 traffic signals (34 FTE)
- 50,000 street name signs (2 FTE)
- 250,000 trees along City streets (18 FTE)

Since
2021

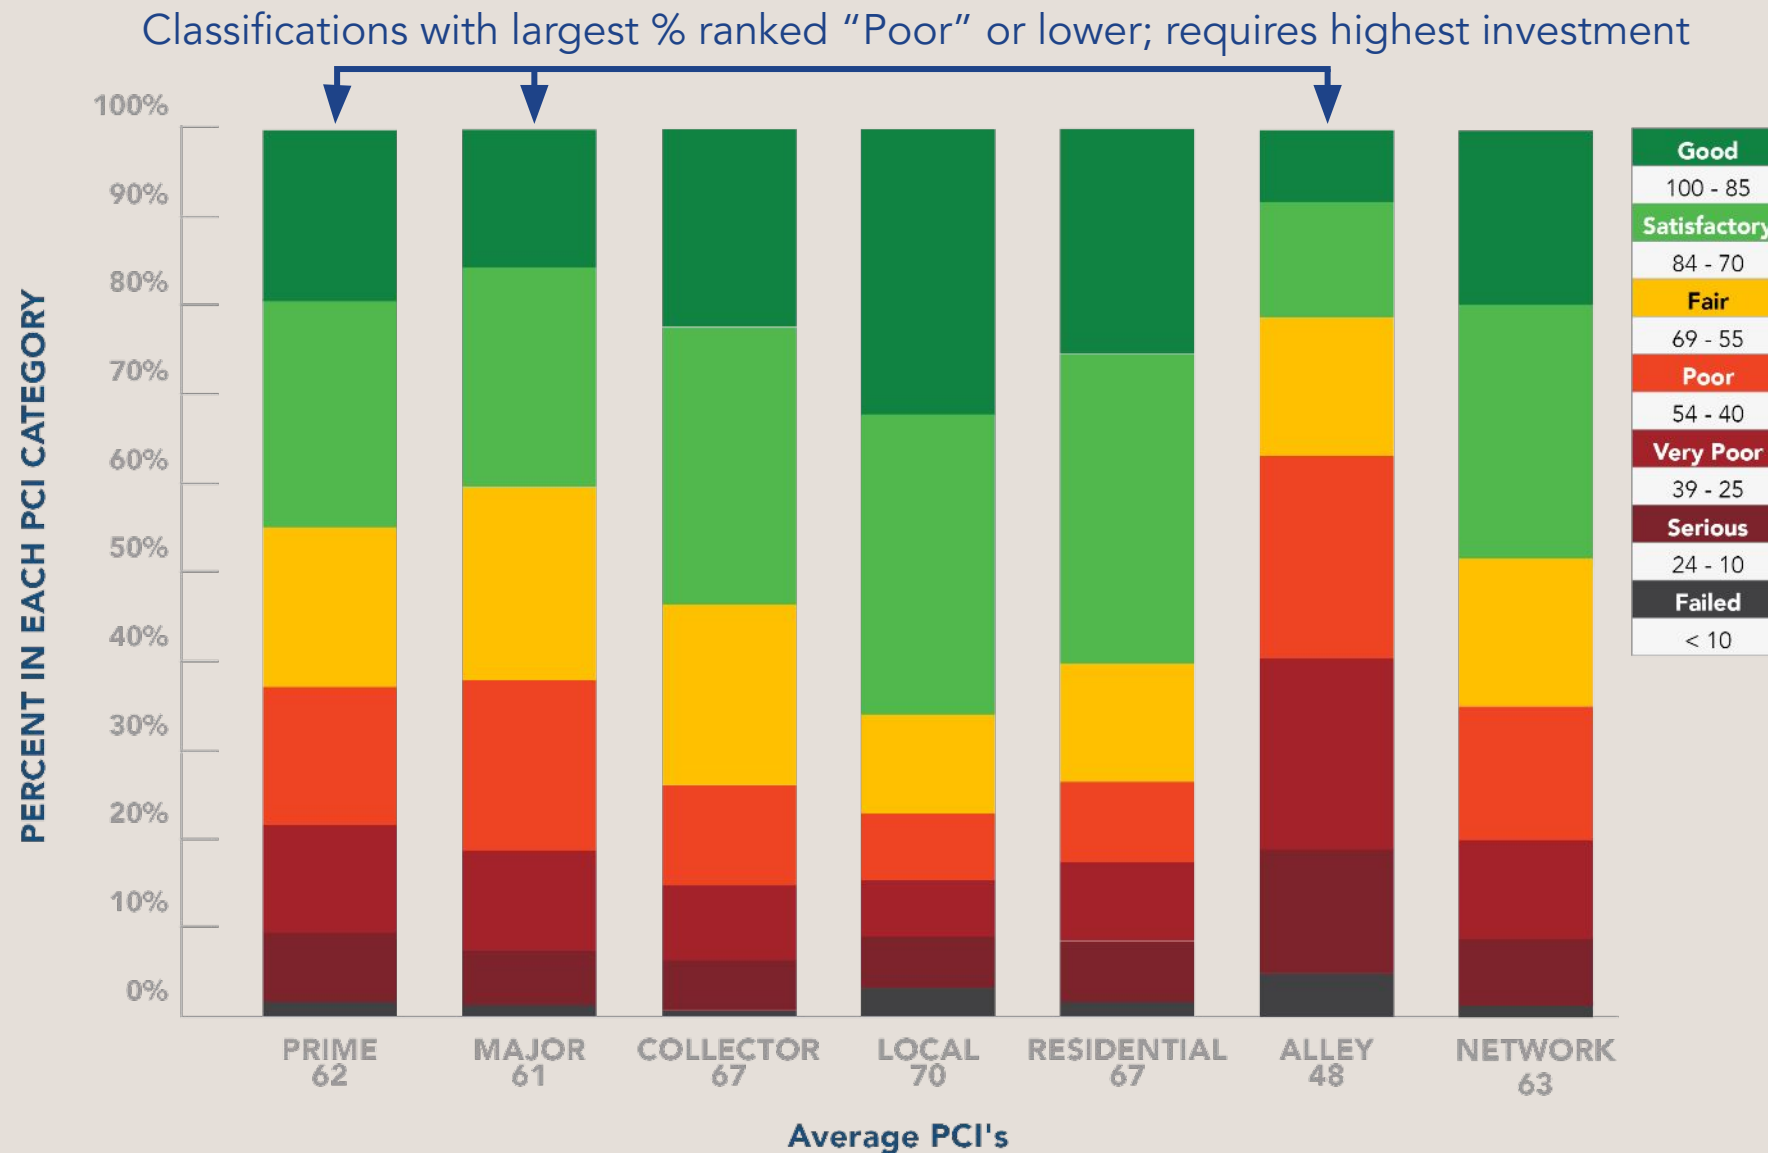

Programmatic Advancements

We've been hard at work..

- **Complete Streets Council Policy**
 1. All users/modes
 2. Structurally excluded communities
 3. All ages/abilities
 4. Vision Zero goals
 5. Equitable outcomes
 6. Emergency responsiveness
 7. Connect multimodal networks
 8. Integrate resiliency and stormwater
- **Mobility Governance Group**
- **Acceleration of Road Repairs**
 - More bike lanes
 - More connected
- **Road Condition Assessment and Development of Funding Need**

Programmatic Advancements

Thank You

Bethany Bezak, Director
Everett Hauser, Bicycle Program Manager
