

Growing and Sustaining Your Own Bikeshare System:

From the LA Metro Bike Share operator's perspective

1

About Bicycle Transit Systems

- Bike Share operator in 3 cities + Call center for 20 bike share systems
- Women, LGBTQ-owned. Women-Led.
- Union-operated in LA
- Mobility justice - Vision: **Every person has access to a bike**

Operator of three Bike Share systems across the country:

**Celebrating 10 years
& 10 million trips!**

About Metro Bike Share

System Overview

- 225 stations, with kiosks & docks
- 1,800 bikes (16% e-bikes) – BCycle equipment
- Metro-owned, LADOT / LA City partner
- Launched July 2016, 2.2 million trips
- System funding:
 - ✓ City
 - ✓ Metro

Roles & responsibilities

- LA Metro: New service areas, bike replenishment, TAP integration, fare structure...
- City of LA: Station permits, support w/ encampments...
- Bike Transit: Operations & maintenance, community engagement, marketing, customer service

Metro Bike Share Ridership is growing!

**Numbers
indicate
success:**

Ridership!

What a Bike Share System absolutely needs to be sustainable

The city issues Permits

No bikes, no rides

AI doesn't fix bikes

Station permits - **Wanted**

Constantly needs **new** station locations

Public Right-Of-Way stations require permits (93%)

Prime real estate needed:

- Competition: Cars!, NIMBYs, EV charging, vendors...
- Policies/Guidelines too restrictive
- Equipment innovation: less space, electrified

Together we can make change happen!

Most successful stations: prime locations

BIKES - STABILIZE THE FLEET SIZE

>>> Strong Loss mitigation plan

PREVENTION

- Messaging
- R&D
- Product modification
- Software updates

RECOVERY

GPS Assisted Asset
Recovery Program:

- **GPS**
- **Automated process**
- **Dedicated resources**
- **Fast response**

CONTINUOUS IMPROVEMENTS

PARTNERSHIP / RELATIONSHIP

Missing bikes decreased significantly!

Missing bikes trend

Retain **STAFF**

Safety first

- Training
- Equipment
- Processes: Incident reports, “ Team Lift”, ” Blackout” stations...
- Communication: internal, participative & with the community
- Continuous improvement: safety committees w/direct input from staff

Strong DEIJ Culture & constant dialogue

- DEIJ driven
- Representation: Union (2021)
- Accountability at all levels
- Transparency

Pay & Work-Life balance

- Decent pay, health benefits
- Reduced Work Week (2023)
 - 100% pay
 - 80% of the time
 - 100% efficiency

**Staff retention rate: 86%
in LA at the end of 2023!**

Numbers indicate **success**:

<5%

**Bike loss
&
Stable fleet size**

86%

**Employee
Retention rate**
